

## Charmaine Harris

**Awarded: 2023**

Charmaine Harris is involved in many aspects of the Foundation's work and exemplifies excellence in volunteering.

Charmaine became involved with the Track in 2004, soon after her first 'proper' multiday walk as a secondary teacher, leading teenagers. Her approach to this walk typifies her perpetual can-do attitude and wonderful sense of fun. She has gone on to complete five E2Es, including a double.

Charmaine goes above and beyond in her commitment. She strongly supports promotion of the Track and the Foundation and readily shares her experience and knowledge. She became a Track Maintenance Volunteer in 2004, Guide in 2005, Office volunteer in 2008, was one of the founding members of the Support Volunteers, checks a Track counter near Mundaring Weir each month, and has contributed at many community events. She is a powerhouse of knowledge and continues to engage walkers, members and volunteers in a positive and humble way.

Charmaine is a very deserving recipient of Honorary Life Membership.
