

Bibbulmun Track Foundation - Honorary Life Membership

Jim Baker

Awarded: 2023

The Bibbulmun Track Foundation proudly bestows Honorary Life Membership upon Jim Baker in recognition of his outstanding dedication and contribution since 2004. In addition to regular office volunteer tasks, Jim is one of our valued trip planners and plays a key role in looking after the hire equipment.

In 2010, Jim authored a book chronicling the history, development, and use of the Bibbulmun Track. He has gone on to contribute multiple articles for Landscape, Great Walks magazine and other publications, which have aided greatly in the promotion of the Bibbulmun Track and the Foundation.

Jim's talents shine as the long-standing sub-editor of Bibbulmun News. In addition to editing all the articles, Jim compiles the Reflections from the Registers, has contributed extensively to Trailing Around the World by writing about his many hikes in the UK, and his great sense of humour shines through in his regular Track Trivia column.

Beyond Foundation responsibilities, Jim extends his generosity as a 'Trail Angel,' aiding fellow walkers in accessing the Track and managing logistical challenges.

His exemplary efforts have indelibly elevated the Bibbulmun Track's accessibility, knowledge, and status, making him a deserving recipient of this award.
